

JOB DESCRIPTION

NOTICE: This job description is provided as a general summary of common job duties performed by individuals assigned this job title. It is not all-inclusive, nor is it intended to create a contract, written or implied, between employees and Building Opportunities for Self Sufficiency, nor does it in any way alter the employment-at-will relationship that exists between employees and Building Opportunities for Self Sufficiency. As a condition of employment, all agency employees are expected to perform job duties assigned by agency management even when such duties are not included in their job description.

JOB TITLE: Clinical Case Manager/MSW

REPORTS TO: Director of Clinical Supervision & Training

EMPLOYMENT STATUS: Non-Exempt

TIME COMMITMENT: Full-time (40hr/week)

BARGAINING UNIT: Local Union #1991, IUPAT, AFL-CIO.

STARTING SALARY: \$90,000

ORGANIZATION

The mission of BOSS is to help homeless, poor, and disabled people achieve health and self-sufficiency, and to fight against the root causes of poverty and homelessness. The organization was founded in 1971 by a group of volunteers from the Hillel Streetwork Project in Berkeley who responded to the needs of mentally ill individuals being released to the streets by state hospital closures. Today, BOSS develops solutions to mass homelessness, mass incarceration and community violence and is dedicated to the inclusion of people marginalized by addiction, trauma, criminality, incarceration, poverty, racism, sexism, homelessness and violence with an intentional focus on four areas of service with Housing Security, Criminal Justice Reentry, Neighborhood Safety, and Social Justice Programs and services. BOSS works one-on-one with each family and each individual to help them achieve stable income, permanent affordable housing, and lasting wellness.

POSITION DESCRIPTION

The *Clinical Case Manager/MSW* Position reports to the Director of Clinical Supervision & Training for supporting pathways to permanent housing, securing benefits, providing linkages to community resources and providing one on one trauma- informed counseling. He/she/they has case management experience with individuals experiencing homelessness, mental health challenges and substance use. The *Clinical Case Manager/MSW* will work in collaboration with the Housing Navigator to facilitate rapid and resourced exits from homelessness into permanent housing and provides participant advocacy, case management, benefit establishment, linkage to Mental Health and/or Substance Use Services, linkage to stable housing and all other supportive services as needed. The *Clinical Case Manager/MSW* will provide individualized support by helping each guest develop a plan to address their barriers, increase their income, and maintain and sustain permanent housing.

Essential Functions (Duties and Responsibilities):

Assess Client Needs:

- Conduct thorough assessments to evaluate the medical, psychological, and social needs of clients.
- Develop individualized care plans based on client assessments, goals, and treatment needs.

Care Coordination:

- Coordinate and facilitate access to necessary services, including medical care, mental health services, social support, housing, and other community resources.
- Ensure that clients receive timely, efficient, and appropriate care by collaborating with doctors, nurses, therapists, social workers, and other healthcare professionals.

Treatment Planning and Monitoring:

- Develop, implement, and monitor client-specific treatment plans that address short- and long-term care goals.
- Regularly review and update treatment plans based on client progress and changing needs.

Client Advocacy:

- Act as an advocate for clients by helping them understand their treatment options, access necessary resources, and navigate the healthcare system.
- Empower clients and their families to participate in the care process and make informed decisions about treatment and services.

Documentation and Reporting:

- Maintain accurate, up-to-date case files and documentation in compliance with legal, ethical, and organizational standards.
- Provide regular reports on client progress, case outcomes, and any changes to treatment plans.

Crisis Intervention:

- Respond to crisis situations as needed, providing immediate intervention and coordinating emergency care or support.
- Assist clients in managing crises such as mental health emergencies, substance abuse issues, or severe medical conditions.

Education and Support:

- Educate clients and families on available resources, treatment options, and self-care strategies.
- Offer emotional and practical support to clients and their families, helping them navigate the challenges of illness, injury, or other life situations.

Collaboration with External Resources:

- Connect clients with community services and support systems, such as housing, employment services, or legal assistance.
- Work with insurance providers, social workers, and other external partners to ensure comprehensive care.

Quality Assurance and Compliance:

- Ensure that all services are provided in accordance with state and federal regulations, organizational policies, and professional ethical standards.
- Participate in regular team meetings to discuss case progress, challenges, and solutions.

Team Participation

- Participates in clinical staff meetings and supervision and other group activities essential for operations
- Leads team discussions on participant progress and lack of progress, and helps to develop possible solutions to ensure best support for the participant's success.
- Promotes good community relations and utilizes community services and resources.
- Attends scheduled training programs for professional development that includes, at a minimum, training required by BOSS and by regulatory and accrediting bodies.
- Performs other duties as assigned.

QUALIFICATIONS

EDUCATION AND EXPERIENCE

- Master's degree in Social Work (MSW or MFT) or Psychology
- Two years of related experience with case management services, housing, homeless and mentally ill populations.
- Ability to work with diverse communities and exercise mature judgment.
- Knowledge of community and social service resources in Alameda County
- Excellent interpersonal and communication skills, both written and verbal
- Computer skills with proficiency in Microsoft Office. HMIS training is a plus.
- Knowledge and understanding of data collection and interpretation
- Working knowledge skills in social work terminology and reporting processes.
